

GASTRONAUTS

by JAMES FOLEY

ABOUT THE BOOK

Sally Tinker, the world's foremost inventor under the age of twelve, has an extraordinary new challenge. The brain-enhancing nanobots she is testing have been accidentally swallowed by her baby brother Joe. The only way to stop Joe turning into a superbaby and wreaking super havoc is to shrink herself and travel inside Joe's body on a journey to tackle the problem head-on. What could possibly go wrong? As it turns out, this is only the beginning ...

ABOUT THE AUTHOR

James Foley is a children's author and illustrator. He is an ambassador for Books In Homes and Room to Read Australia, and the Illustrator Coordinator for SCBWI Australia West. His interests include comics, film, psychology, science, history (anything nerdy really), as well as yoga and social justice.

NOTES

- James Foley will tour New South Wales and Victoria in the first two weeks of October to launch the book. He is a guest of AWESOME Festival in Perth where he will participate in the Great Big Dark and Spooky Book Read on 3 October.
- Teaching notes and classroom activities available for educators from fremantlepress.com.au.
- Sally Tinker has her own YouTube channel called S. Tinker Tube. <https://youtu.be/Ey8FM5k38ws>

PRAISE FOR THE SERIES

'Told in a highly graphic style through illustrated panels, this is a genuinely funny story that's also packed full of knowledge. Beginner readers aged six to eight will not only laugh themselves stupid at the plethora of poo jokes, they'll also learn a lot about insects and biology. [4.5 out of 5 stars]' *Junior Books+Publishing*

'a clever combination of science, humour and action ... a fun adventure. [4.5 out of 5 stars]' *Sunday Telegraph*

'a hilarious take on domestic dystopia.' *The West Australian*
