

HEAVEN SENT

by ALAN CARTER

ABOUT THE BOOK

Detective Sergeant Philip 'Cato' Kwong is light on sleep but high on happiness with his new wife Sharon Wang and their baby girl. But contentment is not compatible with life in the Job, and soon a series of murders of Fremantle's homeless people gets in the way of Cato's newfound bliss. As *New Wave* journalist Norman Lip flirts online with the killer, it becomes apparent that these murders are personal – the every death is bringing the killer one step closer to Cato.
