

Violet is a little girl  
with **big** ideas.

She is always

thinking!

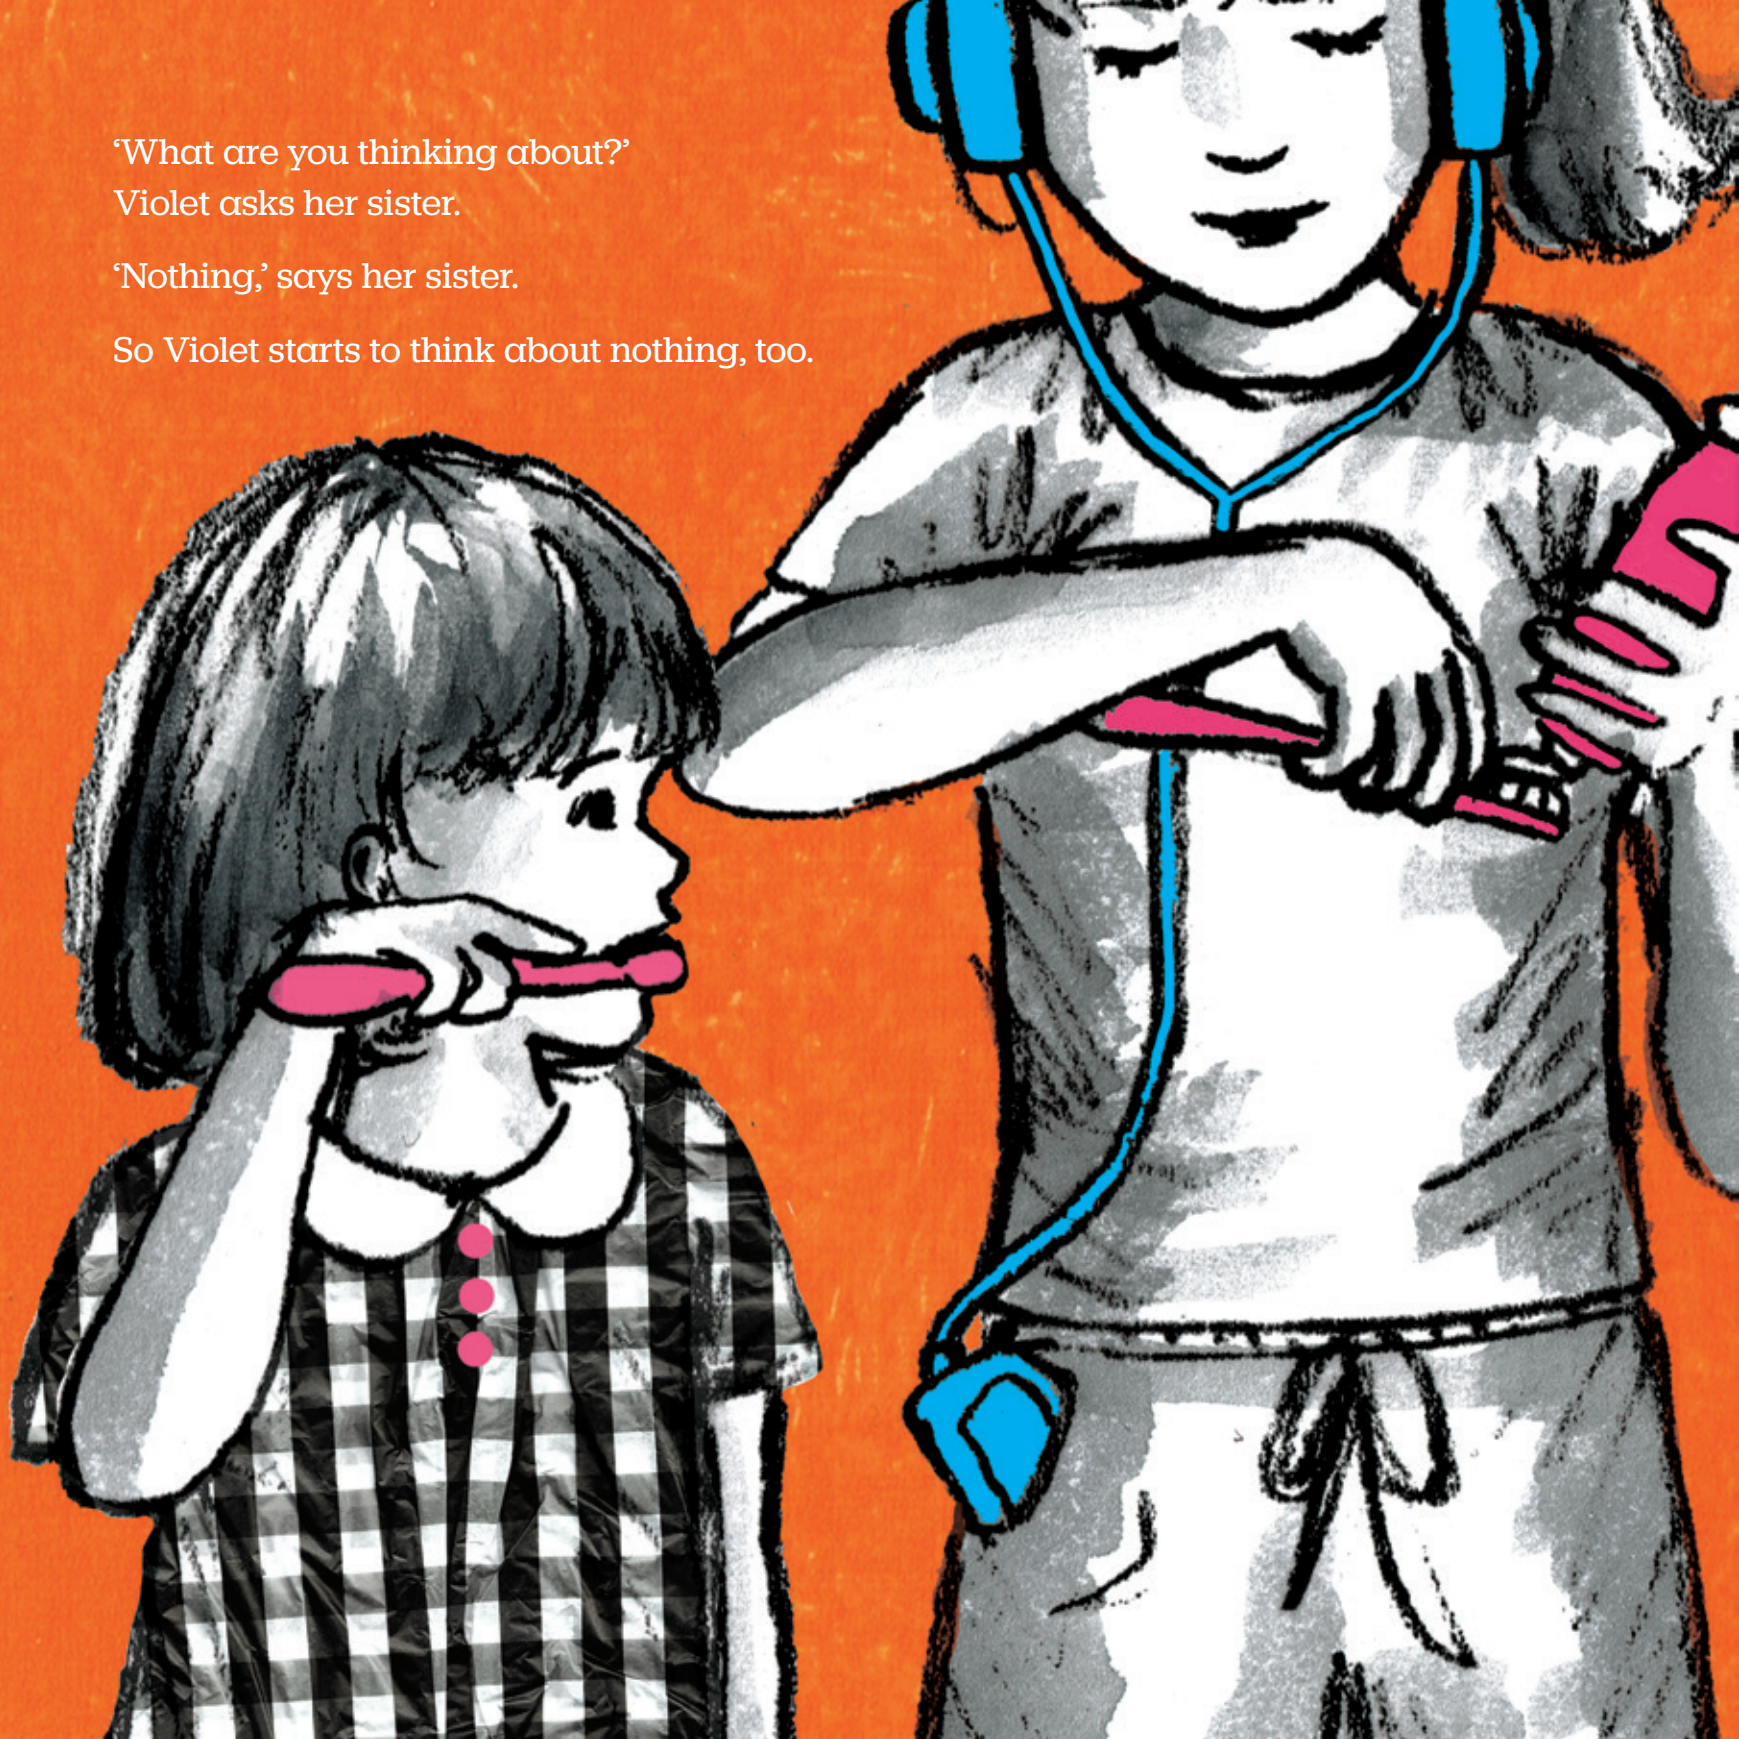

'What are you thinking about?'

Violet asks her sister.

'Nothing,' says her sister.

So Violet starts to think about nothing, too.

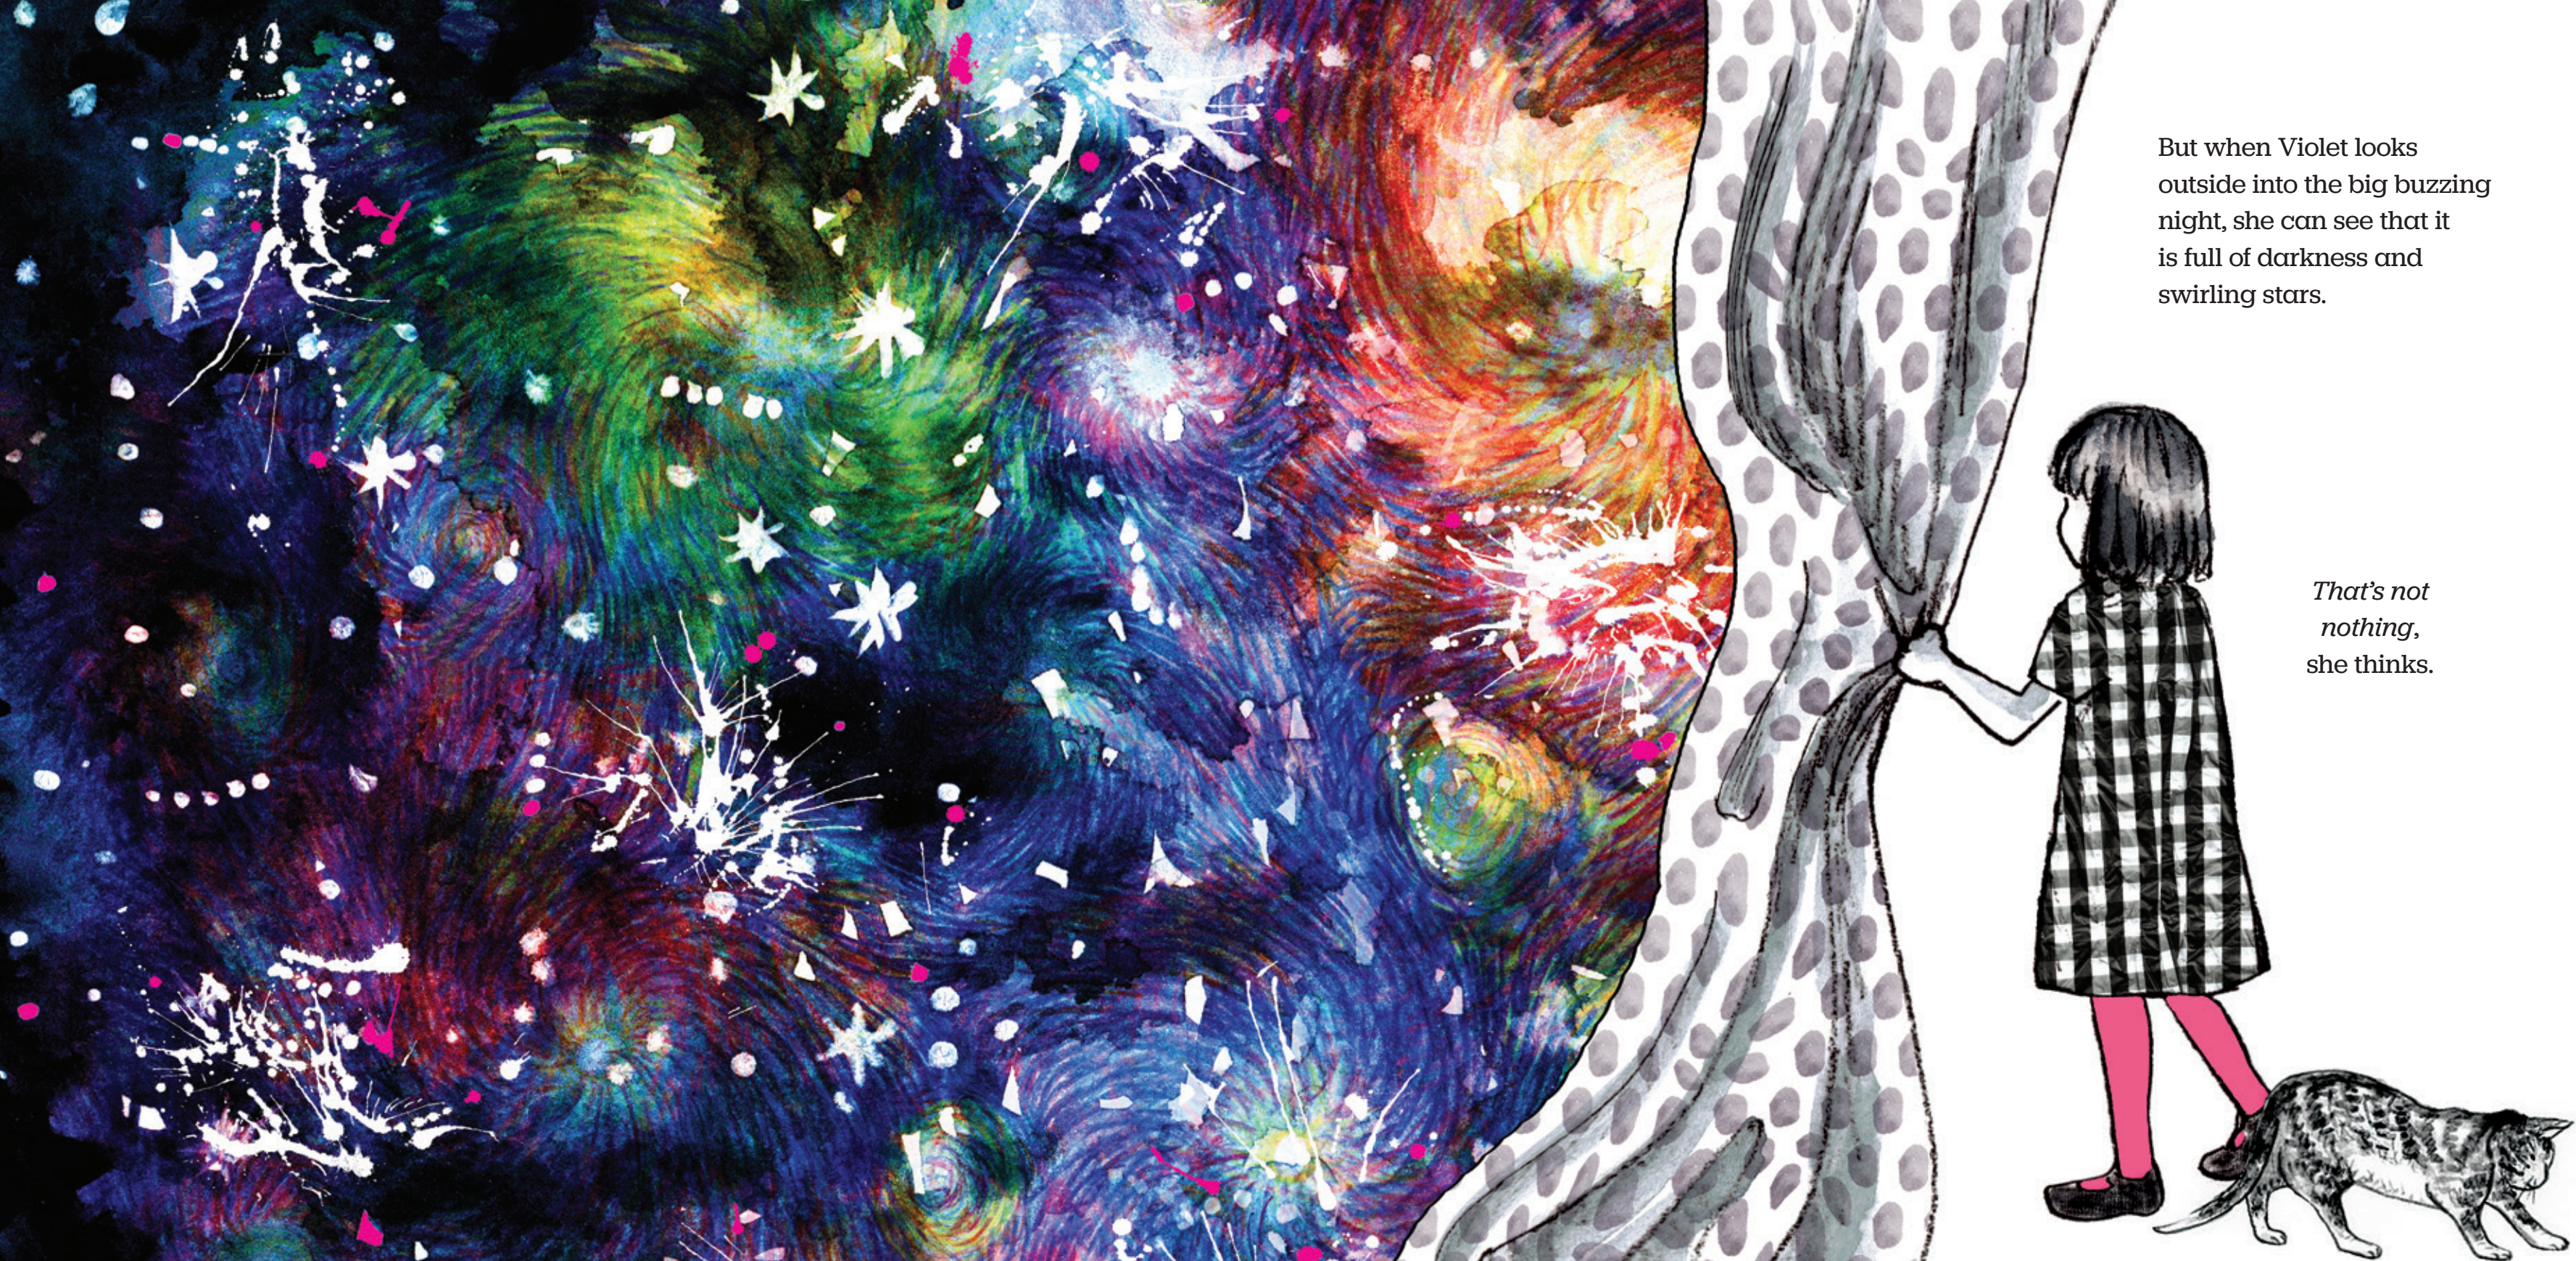

'What is nothing?' she asks.

Her sister pauses for a moment.

'Nothing is empty space,' she says.

But when Violet looks  
outside into the big buzzing  
night, she can see that it  
is full of darkness and  
swirling stars.

*That's not  
nothing,  
she thinks.*
