

# ALEX *and the* ALPACAS RIDE AGAIN by KATHRYN LEFROY

## ABOUT THE BOOK

In this thrilling conclusion to the adventure begun in *Alex and the Alpacas Save the World*, Alex discovers that she didn't complete the mission and this time around it's not one, but two evil spirits she will need to defeat.

After her adventures in Tasmania, Alex is back home in Melbourne and ready for the next one. But Grandpa Jacob wants to keep Alex protected, and he wants her to go back to being a regular kid and forget that she is the saviour of the world. Why can't he understand that she's not normal, she's special? When things start to happen around the olive sapling housing Kiala's spirit, Alex sees her chance to prove how important she is, but at what cost?
