Design your own robot

Ask yourself:
What do I most need a robot for?
What functions do I need in a robot?
What would it look like?
Draw your robot here. →

Inside the human body!

Your mission:
Help Sally and Charli find their way around Joe's body by writing the names of the body parts in their correct locations.

oesophagus

small intestine

large intestine

bottom

heart

brain

stomach

In *Gastronauts*, my brother Joe swallows my latest invention! My friend Charli and I shrink down and go into Joe's body to get the invention back.

Sally Tinker
