CONNECT TO COUNTRY

Nedingar by Isobel Bevis and Leanne Zilm celebrates the beauty of Country and family – especially the ancestral lands of the Noongar people. In this activity, we ask you to share one of your special places. Draw a place you like to visit. Which flowers, trees and animals live there? Are friends or family in your picture? Share your drawing with a partner, telling them why this place is special to you and how you look after it.
