

# BIGFOOT -VS- YETI

A Love Story

by James Foley

A fantastical fable from the creator of the multi-award winning picture book *Stellarphant*.

## ABOUT THE BOOK

The Bigfoot clan and the Yeti clan have been enemies for as long as anyone can remember. The Bigfoots say it started when a Yeti threw a snowball across the rift. The Yetis say it started when a Bigfoot threw some fruit across the rift. Who could say for sure?

One night, a young Bigfoot and Yeti decide to find the end of the rift so they can finish the feud – once and for all.

Things are about to get hairy ...
