

Outside the town, in the heat and the dust
where the sky is bright blue, and the earth is like rust
is an **iron ore mine** that's bigger than big
with mighty machines that blast, drill and dig.

CRRR-UNCH!

KA-BOOM!

Oh, what a HUGE sound

as they bore and they burrow and break up the ground.

The **drill rig** is squat

with a neck high and long.

!! BA-BA!
BA-BA-BA!
!!

goes its loud drilling song.

Pounding and twisting with every beat
it tunnels out holes in the earth at its feet.

Then comes a truck we call **MMU**
filled with a slimy and dangerous goo.
Into the holes it's pumped really fast

CHUGGA CHUGGA-
Splash! splash! **CHUGGA-**
Splash! splash!

it's ready to **BLAST!**
