

You're Too Little

by Katie Stewart

ABOUT THE BOOK

Pygmy Possum wants to climb far, far up into the trees to taste the sweet blossom nectar. But everyone keeps telling her the same thing: 'It's very high. You're too little. You might fall.' Are they right, or will she find a way?

This is a gentle tale of believing in yourself in the face of others' doubt and recognising your own strengths. Beautifully illustrated in Katie's signature style, the Australian animals in this book are sure to delight little readers.
