

CAPTAIN KIDD'S TREASURE ISLAND

Where is Captain Kidd's treasure? After reading *The Unlucky Pirate*, research potential locations where Captain Kidd was active (e.g. Madagascar, the Caribbean, the east coast of America). Research treasure island maps and create your own detailed map of a real or imagined island, with an X marking the spot where you think pirate treasure might be buried. When you're finished, roll it up and hide the map and a message in a bottle.

Stain your map with wet tea bags to make it look old and authentic.

DESIGN YOUR OWN PIRATE FLAG

A flag on a ship communicates to others who they are. Research some popular pirate flags and then in the space below, design your own pirate flag. Will you fly the traditional 'Jolly Roger' / skull and cross bones or will you be like Captain Kidd and fly false colours, pretending to be someone you're not?
