LIZZY
SALLY MORGAN

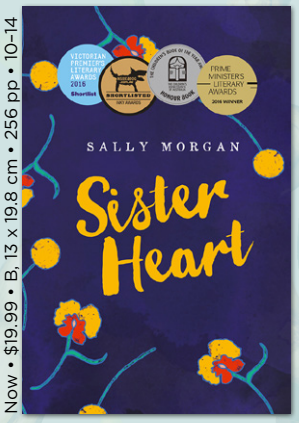

Sally Morgan's first verse novel since her best-selling and award-winning *Sister Heart* is here.

Set in a dystopian parallel world, both familiar and unfamiliar, Lizzy is forced into servitude by colonial forces and forbidden to speak her language. But she knows the power of words. Lizzy escapes and joins forces with a boy named Arni to find and join the resistance.

A compelling page-turner, this masterful tale will have readers gripped to the very end.

SISTER HEART
SALLY MORGAN

A young Aboriginal girl is taken from the north of Australia and sent to an institution in the distant south. There she slowly makes a new life for herself and, in the face of tragedy, finds strength in friendship. Poignantly told from the child's perspective, *Sister Heart* affirms the power of family and kinship.
